In 1779. before my leaving the army. I applied to Col.o Bostwick Deputy or Commissary Gen.l of Forage, for a Certificate of Rations due me and Lt. Col.o Calvin Smith of the 4th Maryland Reg.t — I obtain'd his and my own — Duplicates were sign'd, — one of which was to be sent to Congress for Allowance — the other I took — On leaving the army I gave my Certificate to Col.o Smith to be presented for allowance — He informs me that he Cod his own & mine — Col.o Bostwicks acct being now, as I am inform'd settled, perhaps there may be a balance found due me and him — which please to make Enquiry about & give me Information ——
